**UHMS, YOU'VE CHANGED ME**

**Dear UHMS,**

**You have changed my life because my learning, and confident has gone up so much. Also, going to UHMS is great because you're going to always find a person who is a little stuck up, but UHMS lets you explain all your issues in the form of a note called the act of meanness box. Also, it would be heartbreaking to hear my school has been taken down. So, I am one of the others that are begging for you to keep magnet schools in the state of Connecticut..**

**UMHS is a great learning community made of all different kinds of people. Although we are all different we are taught to love and respect one another and our difference. That's one of the many great things about my school.**

**Sincerely,  
Cameron Brown**
